"On June 28, Diana Noble spoke authentically, eloquently, and enthusiastically to EIN's members. The title of her presentation was "Take control of your time & grow a kick-ass business." Diana totally engaged the audience with the depth and breadth of her knowledge of all things related to effective time management. Diana's stories and examples opened many eyes to the awesome potential of a variety of time management tips, tricks, and tools to help entrepreneurs build their businesses. EIN's members simply loved Diana. You will too!
