NOBLE CHOICE COACHING OPENS NEW OFFICE IN FORT MCMURRAY

(Fort McMurray, Alberta – August 1, 2020) Noble Choice Coaching Ltd. is pleased to announce that they have officially opened their new downtown office to serve local clients. Long-time Fort McMurray resident and owner of Noble Choice Coaching Ltd., Diana Noble, looks forward to helping small business owners and leaders in the community through coaching and consulting.

“After years of working with businesses in the community through my former business, snapd Wood Buffalo, I realized that helping business owners and leaders develop their skills so they can thrive and succeed is a major passion of mine,” said Diana Noble, Certified Professional Coach. “I have been working steadily towards my Certified Professional Coach designation and I’m so pleased to see this goal of mine come to fruition so that I can be in a position to help others in a more profound way.”

Noble has a wealth of experience in this community as a serial entrepreneur, having owned and operated three businesses within the past decade right here in Fort McMurray, with Noble Choice Coaching Ltd. being number four.

“As a business owner, I have seen lots of businesses come and go throughout the years. When I think back to the fact that I have beat out the statistics of business-failure while surviving a recession and wildfire, I am reminded of all I have learned in that time.”

“Throughout the years I have brought entrepreneurs together through a number of initiatives, have worked extensively with other business owners on their marketing, and coached many of my own staff on skills development and training.”

Noble Choice Coaching Ltd. specializes in small business & leadership coaching and consulting and includes services such as proof reading, content writing, strategic planning, marketing consultations and the like.

Thank you to the community for the support throughout the years!
